

# Daniel Steele

## **2022 Montgomery County Recovery and Resiliency Award Recipient**

Dan Steele is a young adult enrolled in the Montgomery County Transition to Independence Process (TIP) Program at Central Behavioral Health since October 2020. Dan has triumphed over many obstacles and fears, worked diligently towards learning and gaining new skills, and accomplished multiple goals of his choosing. Dan achieved all of this by having a strong commitment to himself and the program. Since Dan began with TIP, he has expanded the amount of responsibilities in his life and even received a job promotion! Dan demonstrated resiliency through difficult situations, and is an exemplary person. For this and all his hard work, Dan is being recognized with a 2022 Recovery and Resiliency Award.
