Over 300 attend 2025 CSP Conference And Mental Health Awards Ceremony

By Kathie Mitchell, CSJ Editor

Over 300 people celebrated Mental Health Awareness Month on May 20th at the 12th Annual Montgomery County CSP Conference & 47th Montgomery County Mental Health Awards Reception with the theme "Self-care and Wellness."

It was a beautiful spring day filled with calming Tai Chi led by Mitch Goldfarb and group drumming led by Tony Mascara of Audio Lab.

People mingled throughout the beautiful gardens at Martha's Community Farm in

Audubon, stopping at the numerous tables where providers displayed resource information and held craft activities. The Family Satisfaction and Community Satisfaction Teams from HopeWorx assisted people in making Kindness Cards, Access Services showed their hand in making Friendship Bracelets and Central Behavior Health provided reusable totes to make Tie-Dye Totes. Peyton Hearts engaged participants in a sewing heart project while the Forteniters Club created Sun Catchers.

Walking a little farther around the grounds and one might grab a therapeutic hand massage from an advocate from AdvocacyWorx or play Corn Hole or Jenga with a friend. Games were provided by

Alternatives to Suicide groups are intended as non-judgmental spaces where people can share some of their darkest thoughts without being assumed to have an illness or being assessed for involuntary interventions. Openly exploring these thoughts - and the feelings and experiences underneath them – is often the key to moving toward something different.

Subcommittee Reports from May 2025

Advocacy Subcommittee: Christine Stutman, Executive Director of NAMI Montgomery County, said the committee discussed Medicaid cuts and how to get involve discussions with legislators and others. Suggested bringing in PHAN to talk with larger CSP and how to be most effective in advocating to legislators. She's on BuckMonts Collaborative and they are going up to Harrisburg on June 4th to discuss housing and mental health. She'll share info. Buses are scheduled and it's organized for meetings with legislators. Will send info to Penny. NAMI Smarts is a longer-term project. PHAN is more about being most effective. We don't want to flood legislators with calls at the same time. Morgan said she talked at Regional CSP in March. How to strategize. Sue said some of the things they advocated for in the past. For example, getting clubhouses on the county radar. Years ago, we advocated for crisis services. Every 2 or 3 years we do a needs assessment in collaboration with the county. We did discuss transitional housing and the unhoused community. The naval base might be used for housing.

Community Outreach Subcommittee – Erin said Art Contest winners were announced. Getting magnets printed and distributed at conference. CSP Discord is set up and ready. Look out for that link. Contact Erin if you have questions. evillarose@hopeworxinc.org. We're looking for another co-chair.

CSP MEETING CALENDER 2025 Meetings are held every third Thursday, monthly from 12: 00-2:30pm The next meetings will be:

July	17
August	21
September	18
October	16

Meetings are held in person and via Zoom.

Also discussed different events to attend. June 6th – we will attend the Lansdale First Friday. Garden Party theme. To be in community and see what's going locally. Might apply for Lansdale Farmers Market. 9 a.m. to 12:30 a.m. Lansdale is centrally located in the county. Penny suggested attending church events.

Conference Subcommittee – Harry said our event is next Tuesday. Finetuning last minute details. We're sold out now but still getting requests for tickets. We're expecting about 150 more people than last year. Looking for volunteers to help clean up when the conference is over. Lindsay – what time should we set up tables? 8-8:30 a.m.

Community Support Journal

Montgomery County's Community Support Program (CSP) brings together individuals that receive mental health services, their family members, providers and the Department of Behavioral Health in an equal partnership to promote recovery and excellence in the delivery

CSP Mission Statement:

of community-based mental health services.

The committee strives to include a balance of people who use services, people who provide services, family members, and interested members of the community at large. The CSP initiatives continue to grow state, regionally and county wide. As the involvement increases CSP has become a place that feedback can truly be given to the county from individuals that receive services and information can be given that suits the needs and requests of those that attend.

CSP Subcommittees:

- * Advocacy Subcommittee—Works on legislative, policy, communication, budget, voter education and other issues related to mental health services in the county, statewide and at the federal level when relevant. At the direction of the CSP Committee, the Advocacy Subcommittee gathers information on issues, plans advocacy events and creates a monthly newsletter to provide information to the stakeholder network as well as the community at large about the work of CSP. The newsletter also provides updates on new and changing mental health services provided in Montgomery County. The newsletter editor can be contacted at: kathiemitchell8221@gmail.com.
- * Community Outreach Subcommittee—Works on facilitating opportunities for people in the CSP community to be more involved in the Montgomery County community. This includes implementing the Community Connections grants, which provide funding for people to participate in a variety of activities. The committee also implements transportation grants that provide gas cards and SEPTA day passes to CSP community members. The annual CSP Poster Art contest is also organized by this committee.
- * Conference Subcommittee The conference subcommittee will plan and fundraise for the annual Montgomery County CSP Conference.

We invite all peers, family members and providers/professionals to attend.
