

Lydia Schooley

2023 Montgomery County Recovery and Resiliency Award Recipient

Lydia is amazing in every way! She consistently works towards stomping out stigma both for the overall peer profession as well as for the individuals she supports. Lydia has gone beyond to ensure everyone is eligible for peer support and she celebrates the resiliency of folks with lived experience on a daily basis. Lydia is quick to offer encouragement and support whenever and where ever it is needed, even if the person does not work with her. Lydia is a true advocate and she walks this path with such humility. She is such a kind and compassionate individual who is so supportive to all she comes across! Thank you Lydia, and congratulations on your award!
