

Gene Paliescheskey

2023 Montgomery County Recovery and Resiliency Award Recipient

Gene consistently goes above and beyond when addressing the needs of individuals in the community and at Hopeworx. He recently was instrumental in securing hundreds of toys for the HopeWorx toy drive over this past holiday season. He also assisted with the cleanup of an apartment for an individual he supported so that they would no longer be experiencing homelessness. He is always somehow able to pull together resources from the community and other providers on very short notice, and he does it all with a smile on his face. He helps folks with resources to help with food, clothes, and information. He is also never too busy to support his fellow co-workers. He is kind and thoughtful and is always helping or giving back in some way. He is very reliable, has knowledge on an abundance of resources, and above all else, is humble and never gives up. He has and continues to make a difference in so many people's lives. For these reasons, Gene is receiving a Recovery and Resiliency Award!
